- **Collaboration:** we work with residents and the City to achieve our objectives
- **Integrity:** we approach our work with honesty, transparency and accountability
- **Sustainability:** we support the creation of sustainable and thriving communities

Convent Glen – Orleans Wood Strategic Plan (2024-2029)

Advocate for Community Needs

We will regularly engage with the community to understand its diverse needs, and to help residents advocate for them.

We will engage with other community groups to build and leverage advocacy networks.

We will participate in advocating for the community's needs

Build a Sustainable Association

We will work to increase volunteerism to ensure we have the human resources required to execute on our activities.

We will work to increase funding to ensure we have the funds required to operate effectively.

We will work to increase awareness of the Convent Glen – Orleans Wood Community Association to ensure residents are aware of this resource and can actively participate.

We will implement frameworks to ensure good governance.

Drive Community Connections

We will foster community connections through the creation of local events that serve our residents and allow members to engage with one another.

We will actively share information that is relevant to our community members to keep them informed of important developments affecting our catchment area.
